Application to attend a weekend
TRES DIAS SEOUL

In today's world, can Christianity penetrate the many areas of secular life? Can it transform your world in a way that is more fruitful than in the past and in keeping with the times?

The TRES DIAS Weekend experience shows that it can. It proposes no new type of spirituality. It is simply a method by which one's spirituality may be developed, lived and shared in any area of human endeavor where there are Christians willing to dedicate their lives to God in an ongoing manner.

TRES DIAS is a Protestant ecumenical version of the Cursillo movement which was founded by a group of priests and laymen in Spain in 1949. They formulated the method for experiencing a powerful, personal renewal and a living understanding of God's basic Christian truths.

The TRES DIAS Weekend begins on a Thursday evening and ends the following Sunday evening. It requires your attendance for the entire three days. TRES DIAS Weekends are structured around talks, discussions, singing, laughter, joy, food, surprises, close fellowship, love, and discovery. A Weekend is not a quiet, secluded "retreat," but rather a noisy and energetic time for spiritual renewal. The weekend is organized and run by teams of laypersons, supported by two or three clergy, all of whom have previously experienced a TRES DIAS Weekend themselves.

After the TRES DIAS Weekend, members of the community are joined in a way that helps them support one another in their spiritual lives. We are better able to grow when we have fellowship, than when we are alone. Our goal is to develop a lively Christian community *within established churches*.

The Weekend itself requires nothing of you but an openness to God's Word and the love of fellow Christians.

Simply stated, TRES DIAS is an encounter with Christ. That sounds simple, but it's not. Think about it ... a real meeting with Christ!

*We are grateful for your help and cooperation in preparing this application.
The Tres Dias community will be working and praying to ensure your Tres
Dias weekend experience will be one of joy and rich blessing.*

TRES DIAS is a full 3-day experience using modern group techniques to bring the participant into a renewed relationship with fellow Christians, the Church, and Christ. It can be both physically and emotionally tiring. Tres Dias may not be right for you if you have physical infirmities or an emotional problem for which you have had, or are now receiving, treatment. Please consider this carefully before filling out and submitting your application. If you have any questions concerning the suitability of this experience relative to your condition, please discuss it with your sponsor.
